LOCATIONS

Our historical site poses a breathtaking and memorable backdrop for wedding photos that will be cherished for a lifetime. Picture your al fresco wedding ceremony and reception on the verdant lawn of Rancho Mañana. Your stage is set among the massive eucalyptus and mesquites trees and the lush Sonoran Foothills, with the southern rim of the Tonto National Forest looming in the distance.

Ceremony Location

The Sonoran Foothills lawn has many different options for the wedding ceremony, depending on the size of your party and which direction you would like to face. Regardless, the views are amazing in every direction.

Reception Location

The reception area is adjacent to the ceremony area, on the opposite side of the eucalyptus tree. This area is large enough to seat 125-plus guests along with a dance floor and a bar area.

Dining Options

Choose from seated or buffet service. Buffet service is recommended for weddings, as there is usually a wide range in guests' ages. Older and younger guests generally dine first and all others may dine at will.

LOCATIONS

The Grand Lawn

The lush grand lawn area is a stage for larger wedding ceremonies. It can host a great number of guests, all while feeling cradled amongst the undulating grass knolls. The backdrop is absolutely spectacular.

The verdant lawn flows right up to the lush Sonoran Foothills, and the southern rim of the Tonto National Forest completes the everlasting skyline. Truly a stage set for greatness, the impact of everlasting photographs and once in a lifetime memories.

LOCATIONS

Under the Native Mesquite Trees

The canopy of the native mesquite trees offers an enchanting spot for small to medium sized weddings. The massive eucalyptus tree at the north end is a majestic centerpiece for the bridal party to stand under. The limbs of this tree can also be used to hold our crystal chandelier, which brings a magical sparkle to the sky above you.

Nature sets the stage with all of the magical trees, the lush Sonoran Foothills, and the southern rim of the Tonto National Forest looming in the distance.
